ACETONE BASED DYE

DARK BROWN

Directions: Fill container with acetone and shake vigorously for 30 seconds to dissolve the dye. Do not use electrical agitation due to flammability. Follow acetone manufacturer instructions and always read MSDS. Spray with acetone resistant sprayer in a circular motion approx 24 inches from the surface. Do not allow dye to puddle, mop up excess with a cloth. Dries in approx 5 minutes then apply second coat. Seal by spraying on two applications of one of the following sealers, Concrete Sealer X-3, X-3S, X-4, X-4S, X-5 or X-5S. Clean up with xylene.

WARNING: Keep out of reach of children and animals.
Always wear gloves and protective goggles when using this product.

This container makes 5 Gallons (18.9L)
